Subject: Richard Burr Contribution

Dana,
SCIPAC sent a contribution in for Senator Burr in may check #004439 for \$1,000. Unfortunately we held the check for too long at our office so it needs to be redesignated to his general election campaign. Do you know who I should talk to about that?

Thanks,

Subject: RE: SCI Loudermilk Contribution
Importance: High

Hi Lamar,

We have not yet received the 5/31 contribution, but I will be sure that we report it for General once it is received. We did receive a contribution in June but it was date 3/30. Since this was received after the Primary election date we will either need to report this as a General contribution or we will have to refund it. Can the 3/30 contribution be reported as General?

Thanks,

Randi,
SCI contributed to Congressman Loudermilk's campaign on 5/31 and we need that to be reallocated to the general election if possible.

Thanks,
